In his book Moisés y los Extraterrestres, Mexican author Tomás Doreste states,

Voltaire was of the opinion that Abraham descended from some of the numerous Brahman priests who left India to spread their teachings throughout the world; and in support of his thesis he presented the following elements: the similarity of names and the fact that the city of Ur, land of the patriarchs, was near the border of Persia, the road to India, where that Brahman had been born.

The name of Brahma was highly respected in India, and his influence spread throughout Persia as far as the lands bathed by the rivers Euphrates and Tigris. The Persians adopted Brahma and made him their own. Later they would say that the God arrived from Bactria, a mountainous region situated midway on the road to India. (pp. 46-47.)

Bactria (a region of ancient Afghanistan) was the locality of a prototypical Jewish nation called Juhuda or Jaguda, also called Ur-Jaguda. Ur meant "place or town." Therefore, the bible was correct in stating that Abraham came from "Ur of the Chaldeans." "Chaldean," more correctly Kaul-Deva (Holy Kauls), was not the name of a specific ethnicity but the title of an ancient Hindu Brahmanical priestly caste who lived in what are now Afghanistan, Pakistan, and the Indian state of Kashmir.

"The tribe of loud or the Brahmin Abraham, was expelled from or left the Maturea of the kingdom of Oude in India and, settling in Goshen, or the house of the Sun or Heliopolis in Egypt, gave it the name of the place which they had left in India, Maturea." (Anacalypsis; Vol. I, p. 405.)

"He was of the religion or sect of Persia, and of Melchizedek."(Vol. I, p. 364.)

"The Persians also claim Ibrahim, i.e. Abraham, for their founder, as well as the Jews. Thus we see that according to all ancient history the Persians, the Jews, and the Arabians are descendants of Abraham. (p.85) ...We are told that Terah, the father of Abraham, originally came from an Eastern country called Ur, of the Chaldees or Culdees, to dwell in a district called Mesopotamia. Some time after he had dwelt there, Abraham, or Abram, or Brahma, and his wife Sara or Sarai, or Sara-Iswati, left their father's family and came into Canaan. The identity of Abraham and Sara with Brahma and Saraiswati was first pointed out by the Jesuit missionaries."(Vol. I; p. 387.)

COULD THE OLD TESTAMENT STORY OF ABRAHAM HAVE BEEN COPIED TOGETHER WITH THE BRAHMA PRIEST STORYLINES AND THE MOSES STORY

Brahma, as a prominent creator deity in Hinduism, emerged in religious texts and art around the late Vedic period, with his sect active between the **2nd century CE and 6th century CE**. While Brahma as a distinct deity appears in late Vedic texts (c. 1500–1200 BC

In premodern times, the question of where Jews come from had an obvious answer: The Bible tells the story of Israel's origins beginning with the Patriarchs and Matriarchs, moving on to Moses and the exodus from Egypt, and continuing on the conquest of Canaan, the judges, the monarchy, the exile, and so on. Modern scholars have come to challenge that narrative, however, just as scientists began to challenge the creation story in Genesis, looking beyond the biblical account for an explanation for how the Jews came to be.

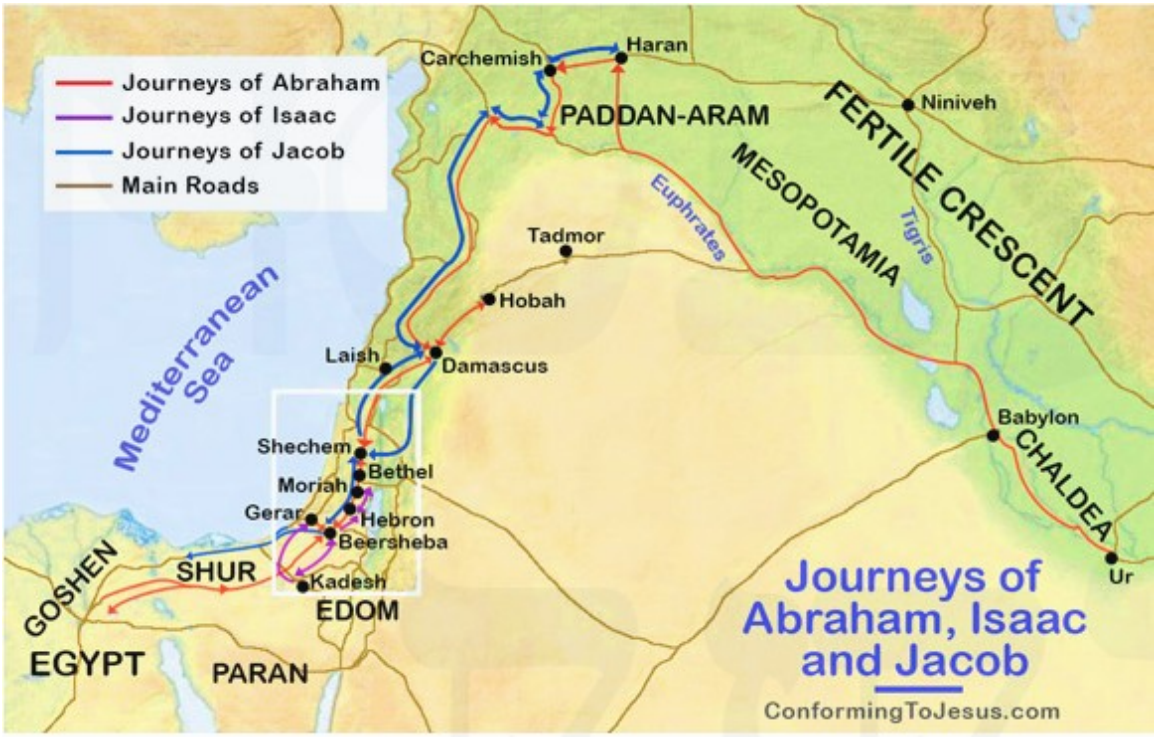
Whereas the earlier parts of the biblical origins narrative, such as the Patriarchs or the conquest, have been increasingly understood as mythic among contemporary Bible scholars, the latter parts of the biblical account, namely the existence of the kingdoms of Israel and Judah, the exile to Babylon and the reestablishment of Judea in what is known as the Second Temple Period are generally accepted in broad outline as historical facts. And yet, even the connection between Jews and Judea has been challenged over the past few decade.[1]

Did you know that other ancient cultures had a Noah flood story after the Younger Dryas, Pole Shift Flood Period 12.500 - 9000 years ago. Now we discover that this is also true of the Abraham Story the Jews placed in their Old Testament. Did you know that the Jews never crossed the Red Sea after being chased out of Egypt but that it was the Hyksos Tribe who migrated out of Egypt over the Sea of Reeds instead? It

is clear to me that the Jews MANUFACTURED their history to PUFF THEMSELVES UP.

The Jesuits who are an evil faction within the Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC) pointed out the data above about Brahma being Abraham or **A BRAHMAM PRIEST**. The Jesuits are ruled over by the BLACK POPE, the Jesuit General who are leaking out data like this today. It looks like they may be doing this to start the End Time Deception of Mankind we have been warned about in Prophecy.

Did you know that the authors of the Bible included the prophesied Jewish Messiah the Talmud Immanuel, Emmanuel, Jmmanuel who was born in Bethlehem and Died on the Cross into the storyline of Jesus. That same figure went on to live in India as Isa of India.



ABRAHAM or A BRAHMAN PRIEST

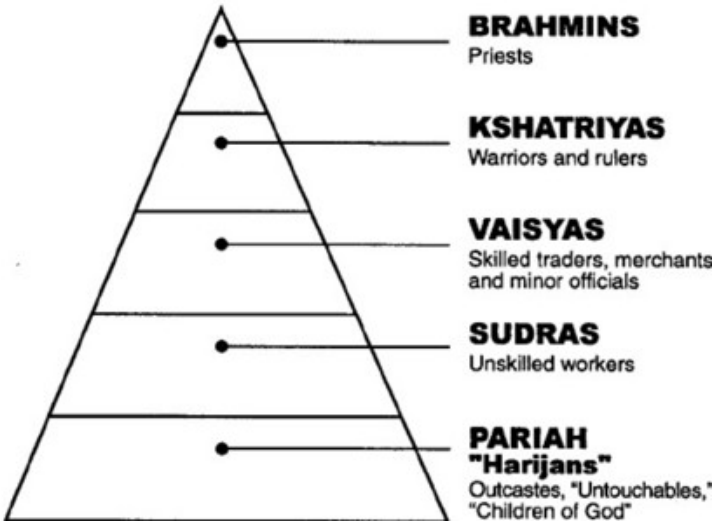
IT LOOKS LIKE THE START OF THE ABRAHAM STORY CAME FROM MESOPOTAMIA WHERE A BRAHMA PRIEST STORY

ALSO ORIGINATED. IS THAT A COINCIDENCE?
I DON'T THINK SO.

All though they were originally associated with Mesopotamia the
Hebrew tribes may have actually migrated into Israel from the north through Turkey and Syria NOT EGYPT. They seem to have traveled on rather designated, known or used routes from Mesopotamia and if you notice on the map below the routes did not include Egypt.

On the other hand there were different Jewish groups who came into Israel from different directions. They were not a mass migration like the Old Testament claims. They were Semite desert dwellers that are associated with Saudi Arabia and Mesopotamia.

Once you study the stories in the Bible the more you realized that WE HAVE ALL BEEN LIED TO and that the Old Testament stories were blended stories from other stories people talked about around 1500-1200 years ago.



These Old Testament STORIES tell us of a man named Abraham (A Brahman Priest) had a family that traveled into Canaan from Ur of the Chaldea’s. However, it looks like the

Jews or the unknown scribal authors of the Old Testament etc., copy pasted the Braham story into the Old Testament by changing his name slightly and adding their own twist to the story. BRAHMINS WERE well known PRIESTS.

The story in the Old Testament is all about the different sons and daughters of Abraham and Sarah's family who married people from other races who worshipped different ALIEN gods. It is almost identical to the story of Brahma and his wife Sara or Sarai or Sara-iswati who left their fathers family and came into Canaan.

These Old Testament STORIES tell us of a man they named Abraham who had a family that traveled into Canaan from Ur of the Chaldee's. However, it looks like the Jews scribes or authors of the Old Testament etc., copy pasted the Braham story into the Old Testament by changing his name slightly and adding their own twist to the story.

The story in the Old Testament is all about the different sons and daughters of Abraham's family who married people from other races who worshipped different ALIEN gods. Unfortunately what we have in the OLD TESTAMENT are a blend of other stories created by scribes that are not true history which is why most of the stories and their locations can not be found by archeologists. Think of them as stories that were being told over a campfires instead.

ALIEN HUMAN HYBRID RACE PART HUMAN PART SOMETHING ELSE

Human Race vs Serpent Hybrid Seed

Judaism is a religion practiced by the Jewish race also known as the "sons of the serpent." It is a reference to their being an alien human hybrid bloodline that starts with the Sumerian Adam and Eve Story in a garden where artificial insemination aka cloning was being used to create this hybrid race. Go ahead and read the story for yourself. We have one evil alien god doing the cloning after which a different ALIEN Fallen Elohim lead alien god entered the Garden to continue to manipulate Eve.

ISRAELITES WORSHIPPED DIFFERENT GODS

The word "Israelites or Israel" is a word that referred to all twelve tribes living in Israel before and after their dispersion into Mesopotamia. THEY WERE NOT JEWS.

The **"Jews" who migrated into southern Judah after the dispersion were historically referred to as members of the southern Kingdom of Judah. DO NOT CONFUSE THE TWO**.

The northern tribes were distinct from the Kingdom of Judah, they were different people groups who worshipped different gods. Jacobs robe colors represent the different tribes of the Northern Israelite kingdom that descended from him. The Apiru were the ORIGINAL white Scandinavian race that were the original inhabitants of Northern Israel. It appears that the Northern Scandinavian Apiru tribes, who originally lived in Israel, bred with the Israelites who seem to be associated with the 10 Lost Northern Tribes not the 12 Tribes.

Jesus associated with the Naphtali Tribe of Galilee and Nazareth, which was by the Sea of Galilee and the Jordan River. They were GENTILE TRIBES NOT JEWISH TRIBES.

LET ME SAY THAT LOUDER,
THEY WERE GENTILE TRIBES NOT JEWS.

WHERE DID THE NORTHERN NAPHTALI TRIBES COME FROM?

ACCORDING TO OLD TESTMENT LORE THEY DESCEND FROM JACOB AND BILHAH

The tribe of Naphtali was the tribe the city of Nazareth belonged to. Much of the Galilee belonged to this tribe.

What Was the Tribe of Naphtali? The Tribe of Naphtali was one of the Twelve Tribes of Israel and part of the Ten Lost Tribes of Israel. In the Bible, the Naphtali tribe claimed its descent from Naphtali, who was one of Jacob's 12 sons. Jacob, also known as Israel, was a descendant of Abraham.

The New York Times
I'm Jewish and Don't Identify as White ...

The Red Hair Green Eyed Tribe of Dan aka the sons of Cain are another Serpent Seed bloodline.

There are conflicting accounts of who the father of the Naphtali Tribe was. In one account, Bilhah who was a Scandinavian handmaiden of Rachael gave birth to the Tribe of Dan and the Tribe of Naphtali after Bilhah married Jacob.

Tribes of True Israel:

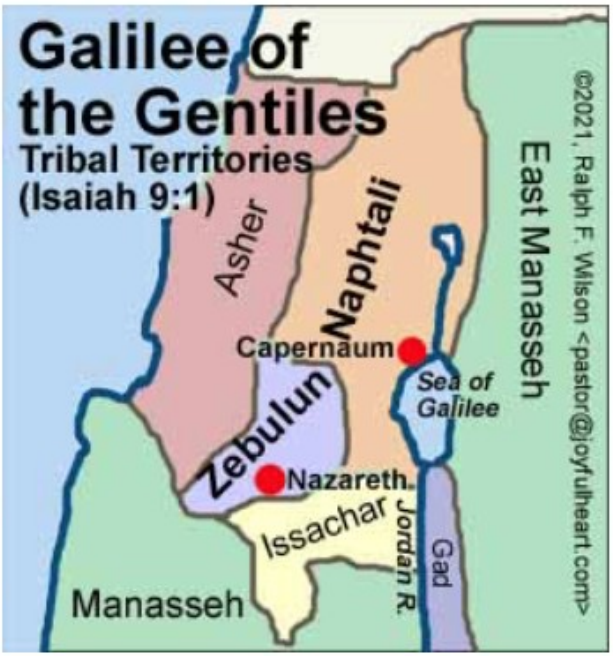
Then their is the account of the tribe of Naphtali being the descendent of Naphtali who was one of the 12 sons of Jacob. I tend to agree with the second account because the Tribe of Dan was also associated with serpent lore. Tribe of Dan the Tuatha De Danaan were another serpent bloodline that

migrated into the British Isles eventually to set up housekeeping in Europe.

During the Conquest, the tribes of Zebulun and Naphtali settled in territories west of the Sea of Galilee. This became part of the northern kingdom of Israel. Though these were the first areas to be overrun and humbled by the Assyrians in 733 BC (2 Kings 16:29), and by later powers (thus called, "Galilee of the Gentiles"), they included the site of the town of Nazareth where Jesus was raised, and the area of Galilee where much of Jesus' ministry was conducted.

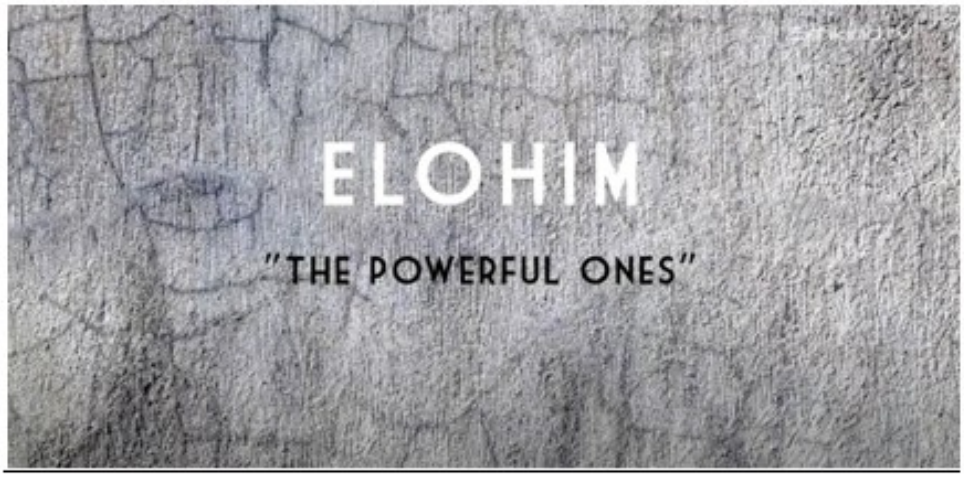
Matthew tells us that his prophecy was fulfilled in Jesus:



It looks like the Israelite tribes migrated into Northern Israel where the Original Scandinavian Apiru tribes lived that were associated with the 7 Hills of Galilee. The 10 Lost Northern Tribes eventually migrated into Europe and then America aswell. They were referred to the 10 LOST TRIBES after they disappeared from Israel and the Jewish historical legends. Some of them remained but moved to Judah for safety from invading forces. Then finally the Jews and Israelites were removed from Judah as well by invading forces 200 years later.

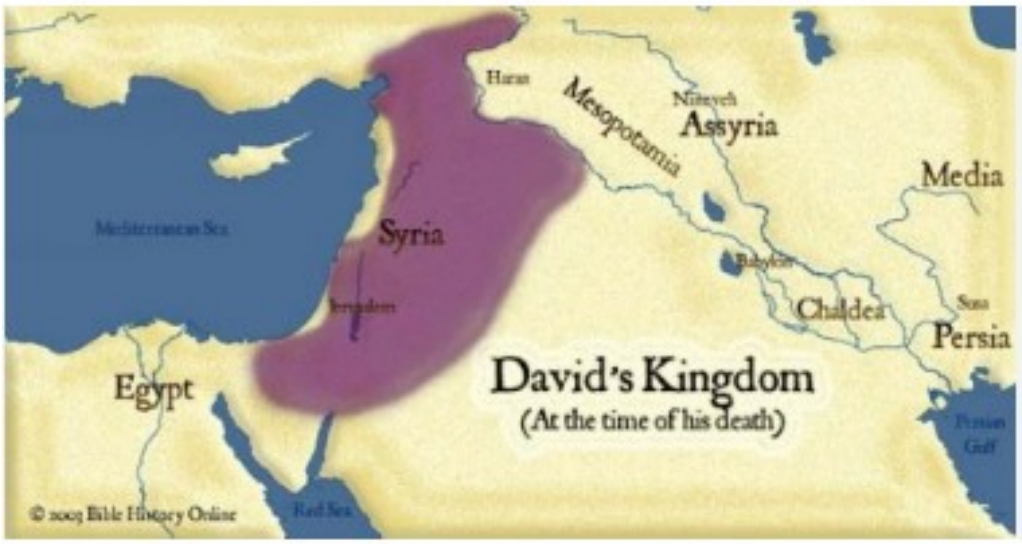
Where did the name Hebrew come from?

APIRU + SHOSU = HEBREW TRIBES



"El Noun Masculine Singular Elohim Noun Masculine & Feminine Singular
Two Hebrew words for God."

The Israelites that came out Canaan into Northern Israel worshipped the alien Elohim Fallen Watchers gods. These Northern Tribes were associated with the Apiru race of Scandinavians who they seemed to inner breed with. On the other hand the Jews were a dark hair dark eyed Semite race that worshipped Yahweh Ildabaoth the Demiurge and were associated with the Shoshu Canaanite people before they migrated into Judah The Shoshu Jews were associated with Cain and the Canaanites.



Did you know that David's Kingdom was not in Israel?

Did you know that **MOST** of the tribes in Israel were **NOT JEWS**

Did you know that the tribes associate with Jesus were **GENTILES?**

<u>DID YOU KNOW THAT THE JEWS WERE RELATED TO THE ARABS WHOSE HOME WAS IN JEDDAH SAUDI ARABIA</u>

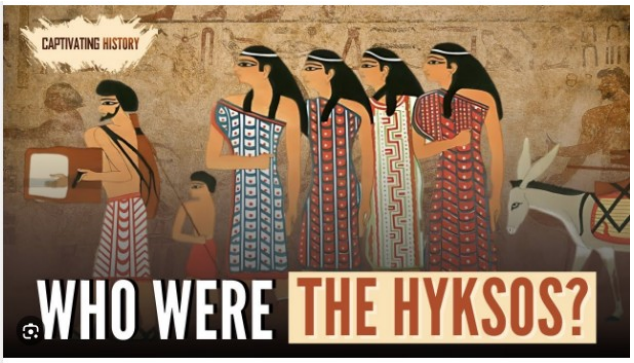
A photo believed to be showing members of the Narjan Jewish community in Saudi Arabia. (Source: Twitter)

There were different Jewish Tribes

They seem to have originally lived along the Red Sea in Saudi Arabia, but traveled to Mesopotamia, Israel and Egypt as did the Israelites.

Saudi Arabia was Another Renegade Middle East Nation

The Jews spoke the Semite language. The Semites came from Jeddah Saudi Arabia. They were a group of renegades that lived along the Red Sea who also claimed to be the sons of Abraham and Hagar, Sarah's hand maden. They had strong ties to Mesopotamia and the Red Sea. There were many different groups of Jews. Some may have migrated to Canaan from western Saudi Arabia and the Red Sea region and then eventually into southern Judah after the ORIGINAL lost tribes of Israel went into captivity. We do not have their real history so we can only speculate.



Hyksos Travel Route from Egypt to Canaan

It also looks like the Hyksos migration out of Egypt was also COPY PASTED into the Jewish migration story by the Jewish scribes or those who doctored Jewish history and then

embellished it with the FICTIOUS MOSES story of the Jews crossing of the Red Sea.

We know today that Moses never existed but may the have been a reference to King Ahmose of Egypt who expelled the Hyksos not the Jews out of Egypt. However, the Hyksos did not cross the Red Sea they crossed the Sea of Reeds just above the Red Sea instead.

When you study real history and archeological finds a very different picture emerges of what was happening in the Middle East back then. You can see how the Jews embellished their history to puff themselves up.

A JEW

ORIGINAL MAN

A JUDAHITE

NOW TAKE A STEP BACK TO STOP AND REALISE THAT JESUS PEOPLE WERE GENTILES NOT JEWS. JESUS WAS DESCRIBED IN THE BIBLE AS A NAZARENE FROM NAZARETH. HE WAS **NOT A JEW.** HIS FOLLOWERS IN JUDAH WERE CALLED JUDAHITES

THE BRAHMA'S WERE A PEACEFUL RACE THE JEWS WERE NOT

It appears that the Hebrew peoples stories and Jewish history were also copy pasted into Hebrew history or lets say BLENDED into the Jewish storyline.

LISTEN TO WHAT JESUS SAID ABOUT THE JEWS AND ABRAHAM

Jesus spoke of Abraham as a revered, living ancestor of the Israelites who recognized His divinity, most famously stating, "Before Abraham was born, I am" (John 8:58). Jesus highlighted that Abraham "rejoiced to see my day" and claimed that if the audience were truly Abraham's children, they would accept Jesus, rather than seeking to kill him.

Yes, Jesus upheld Abraham as a model of faith and a witness to his own divine identity, rather than simply "promoting" him as a separate figure. Jesus emphasized that true children of Abraham are those who believe in God, noting

that Abraham rejoiced to see his day which seem so be the DAY OF RECONNING known as the End of the Ages or Judgment Day. Jesus stated that he existed before Abraham.

True Nazarene Kinship Based on Faith: Jesus argued that being a physical descendant of Abraham was less important than doing what Abraham did—believing God.

Abraham Saw Christ's Day: Jesus claimed that Abraham witnessed his "day"— which seems to refer to the DAY OF JUDGEMENT aka the End of the Ages Tribulation Period of salvation for his followers.

"Before Abraham Was, I AM": In a major confrontation, Jesus claimed eternal existence, stating "Before Abraham was, I am," implying **HE WAS THE DIVINE ENTITY THAT APPEARED TO ABRAHAM.**

Fulfilling the Covenant: The Israelites aka Nazarene's are presented as the ultimate "seed" or descendant of Abraham through whom the promise to bless all nations is going to be fulfilled.

Before establishing themselves in the Land of Israel, the ancient Israelites/Jews (a Semitic-speaking people) emerged from the existing Canaanite city-state culture of the Late Bronze Age within the southern Levant. Their roots are deeply tied to the fertile crescent between the Nile and Mesopotamia, forming a distinct, early monotheistic identity in the Canaan region. Wikipedia +4

Origins and Early History

- **Canaan:** Archaeological evidence suggests that the Israelites branched out of local Canaanite peoples during the Iron Age (c. 1200–1000 BCE) rather than arriving as a large foreign invading force.
- **The Fertile Crescent:** Early Jewish history is centered on the Eastern Mediterranean coast, situated between the ancient civilizations of Egypt and Mesopotamia.
- **Regional Origin:** The earliest known mention of "Israel" is in the Merneptah Stele (c. 1209 BCE), placing them firmly in the Canaan highlands. Wikipedia +2

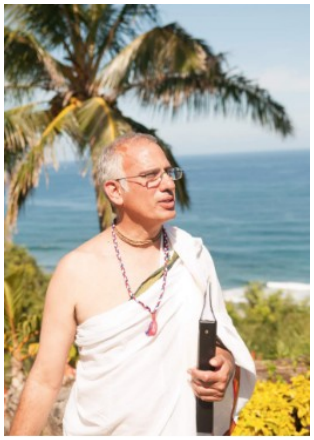
Biblical and Historical Perspectives

- **The Exodus Narrative:** The Bible describes the Israelites arriving from Egypt, led by Moses, after a period of enslavement. This is considered a foundational, though not traditionally archaeological, narrative of origin.
- **Mesopotamia:** The biblical tradition traces ancestry further back to Abraham, who is described as coming from Mesopotamia (Ur/Haran) to Canaan. Stroum Center for Jewish Studies +4

The Diaspora and Return

- **Babylon:** After the destruction of the First Temple in 586 BCE, a significant portion of the population was exiled to Babylonia, which became a major, long-term center of Jewish life.
- **Long-term Presence:** Even during Roman rule and subsequent exile starting in 70 CE, a Jewish population remained in the land while other communities lived in Egypt and the Roman Empire. Echoes & Reflections +4

JESUS IS TELLING US THAT HE WAS THE ONE WHO INSPIRED ABRAHAM



THE JEWS ARE CLAIMING TO BE ISRAELITES UNDER ABRAHAM AKA A BRAHMAN PRIEST

Dispute Over Whose Children Jesus' Opponents Are

31 To the Jews who had believed him, Jesus said, "If you hold to my teaching, you
are really my disciples. 32 Then you will know the truth, and the truth will set you
free."

33 They answered him, "We are Abraham's descendants and have never been slaves
of anyone. How can you say that we shall be set free?"

34 Jesus replied, "Very truly I tell you, everyone who sins is a slave to sin. 35 Now a
slave has no permanent place in the family, but a son belongs to it forever. 36 So if
the Son sets you free, you will be free indeed. 37 I know that you are Abraham's
descendants. Yet you are looking for a way to kill me, because you have no room for
my word. 38 I am telling you what I have seen in the Father's presence, and you are
doing what you have heard from your father.[b]"

39 "Abraham is our father," they answered.

"If you were Abraham's children," said Jesus, "then you would[c] do what Abraham
did. 40 As it is, you are looking for a way to kill me, a man who has told you the truth
that I heard from God. Abraham did not do such things. 41 You are doing the works of
your own father."

JEWS AND ISRAELITES WERE DIFFERENT BLOODLINES

Jesus Talks About Himself and Abraham

48 The Jews there answered, "We say you are a Samaritan. We say a demon is making
you crazy! Are we not right when we say this?"

49 Jesus answered, "I have no demon in me. I give honor to my Father, but you give no
honor to me. 50 I am not trying to get honor for myself. There is one who wants this
honor for me. He is the judge. 51 I promise you, whoever continues to obey my teaching
will never die."

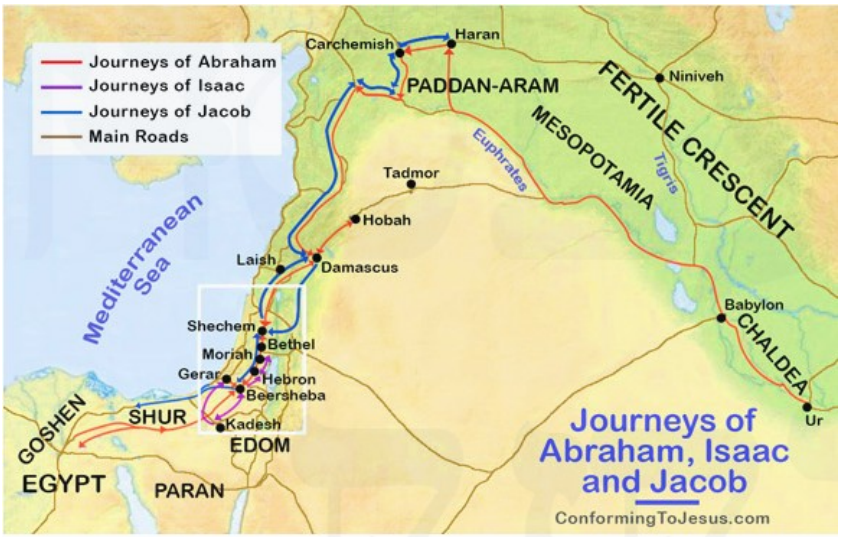
52 The Jews said to Jesus, "Now we know that you have a demon in you! Even Abraham
and the prophets died. But you say, 'Whoever obeys my teaching will never die.' 53 Do
you think you are greater than our father Abraham? He died, and so did the prophets.
Who do you think you are?"

54 Jesus answered, "If I give honor to myself, that honor is worth nothing. The one who
gives me honor is my Father. And you say that he is your God. 55 But you don't really
know him. I know him. If I said I did not know him, I would be a liar like you. But I do know
him, and I obey what he says. 56 Your father Abraham was very happy that he would see
the day when I came. He saw that day and was happy."

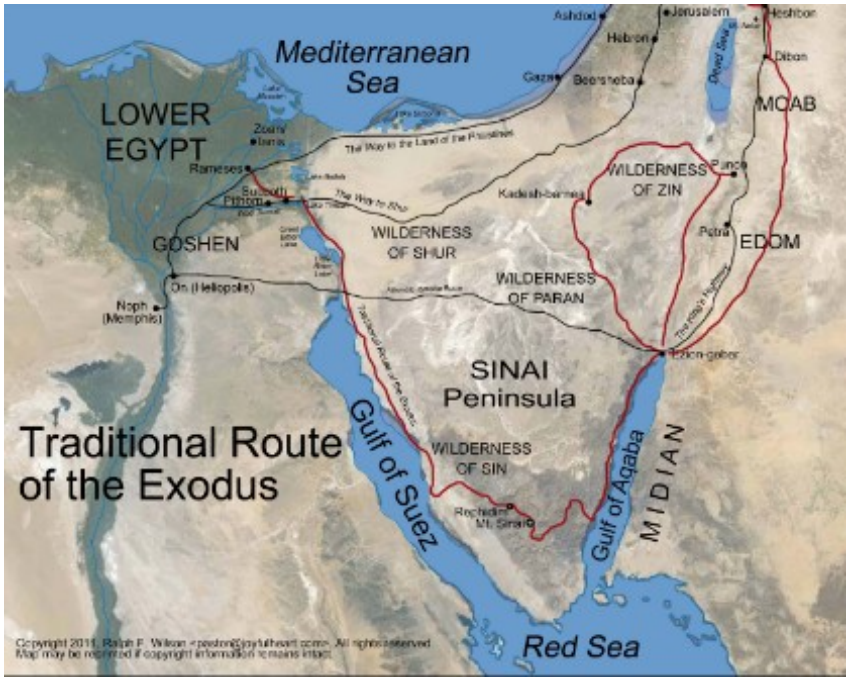
57 The Jews said to Jesus, "What? How can you say you have seen Abraham? You are
not even 50 years old!"

58 Jesus answered, "The fact is, before Abraham was born, I AM." 59 When he said this,
they picked up stones to throw at him. But Jesus hid, and then he left the Temple area.

ONCE AGAIN NOT ALL ISRAELITES WERE JEWS NOR DID THEY MIGRATE INTO CANAAN FROM THE SAME DIRECTION



Abraham's Israelite Migration came from Mesopotamia



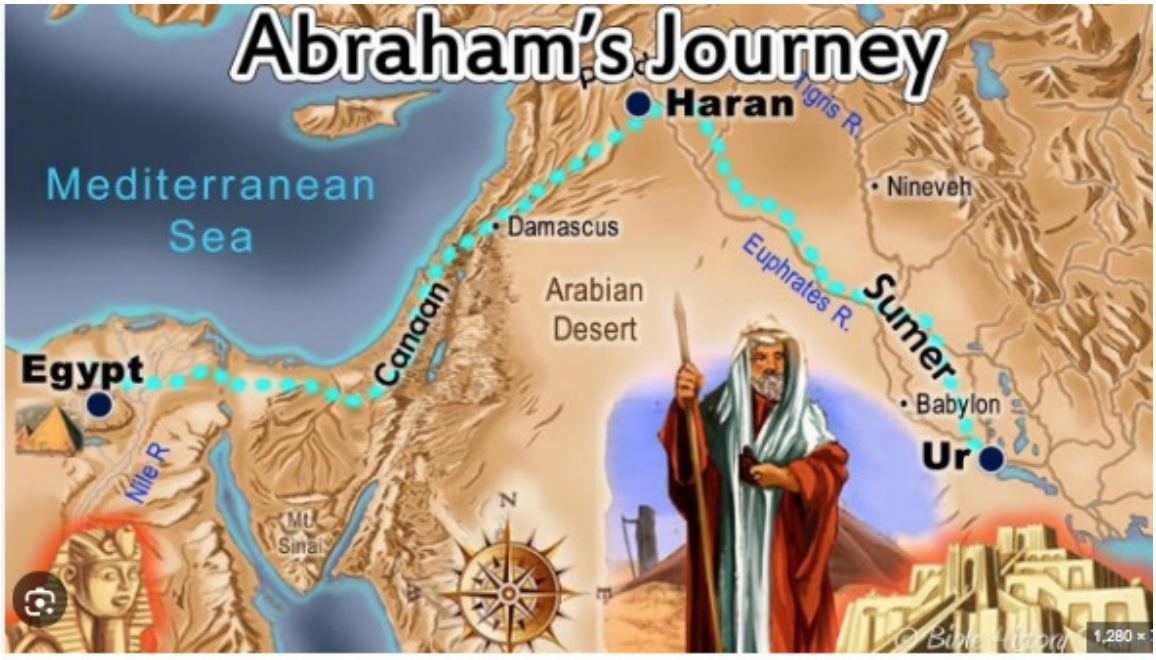
I am not at all sure Jews are related to the Israelites except by inbreeding. It looks to me like the Jews migrated into Canaan from Egypt and the Saudia Arabian Red Sea location known as Sinai and by other names. This is the Moses story not the Abraham story.

The date of Moses' migration out of Egypt (the Exodus) is a subject of intense debate, with two main theories. The **early date** (approx. 1446–1450 BCE) is based on biblical

chronology (1 Kings 6:1), while the **late date** (approx. **1250–1300 BCE**) aligns with the building of the city of Raamses.

Now notice that The Hyksos were expelled from Egypt by Ahmose I, the founder of the 18th Dynasty, around **1570–1530 BCE**, ending about 100 years of rule. **The definitive siege and capture of their capital, Avaris, occurred around 1560–1550 BCE,** driving the Semitic-Asiatic rulers out of the Nile Delta into the Levant, marking the start of the New Kingdom. This took place around three hundred years earlier.

Most of us believe the Hyksos migration was turned into the Moses migration story. They just changed the names and added Jewish misinformation, disinformation and lies to the story.



Notice that Abraham Israelites came from Haran and UR. Also notice that the Israelites and Jews seem to have traveled to Egypt sent time in the Arabian Desert and

entered Canaan before the original Scandinaivan Apiru race was force out of Israel and back into Media Persia.

I believe the Jewish scribes blended the Abrahams storyline with the Hyksos storyline and then added the Moses story into the mix as if they were blending a fruitcake.

It was the Israelites who were the original 12 tribes that lived in Israel. After most of them were taken into captivity the Jews moved into Judah where the Benjamin, Levi and a few of the Northern tribes still remain. When Jesus came to town some of the Nasarenes still remain in Northern Israel..

While all Jews are considered Israelites (descendants of Jacob), **not all ancient Israelites were Jews**. "Israelite" refers to all twelve tribes, while "Jew" historically referred specifically to members of the southern Kingdom of Judah. The northern tribes were distinct from the Kingdom of Judah. United Church of God +2

Key Distinctions:

Israelites (Broader Group): Descendants of Jacob (later named Israel), covering a 12 tribes.

Jews (Subgroup): Originally referred specifically to citizens of the Kingdom of Judah (tribes of Judah, Benjamin, and Levi).

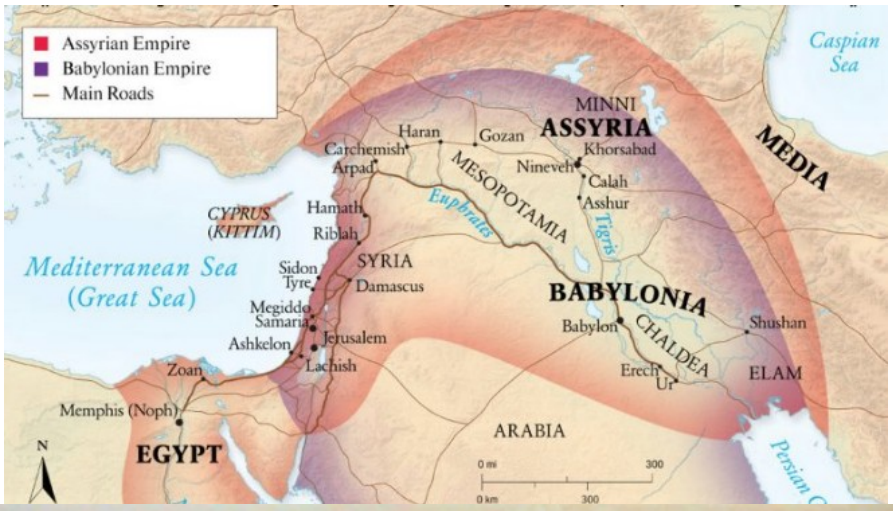
Historical Separation: After King Solomon, the nation split into the Northern Kingdom (Israel) and Southern Kingdom (Judah).

The "Lost Tribes": Ten of the twelve tribes formed the northern Kingdom of Israel, which was conquered by Assyria and did not technically form part of the "Jewish" group, which stems from the southern kingdom. United Church of God +4

In short, "Jew" is a subset of the broader "Israelite" identity. TheTorah.com

WHO WERE THE JEWS OF THE OLD TESTAMENT AND WHERE DID THEY COME FROM BESIDES SAUDI ARABIA?

Before establishing themselves in the Land of Israel, the ancient Israelites/Jews (a Semitic-speaking people) emerged from the existing Canaanite city-state culture of the Late Bronze Age within the southern Levant. Their roots are deeply tied to the fertile crescent between the Nile and Mesopotamia, forming a distinct, early monotheistic identity in the Canaan region. W Wikipedia +4



This slightly fanciful view of the migrating Israelites does show a surprisingly small number of participants (more are cropped off from the left, but even so their numbers are very finite), something which chimes with the 'ruling elite' theory of migration which is detailed on the Israelites page

Archeologists, historians and other legends tell us that the stories in the OLD TESTAMENT are FICTION. There is no archeological evidence to show that a huge migration went from Egypt into the desert while crossing the Red Sea but we do know that the Hyksos tribes left Egypt and crossed the SEA OF REEDS instead. It would NOT have been possible to survive a move like that into the desert PERIOD. The Old

Testament stories have been written by unknown authors who were NOT MOSES, we don't know who wrote them and this is also true for most of the New Testament Stories. The Bible is referred to as the GREATEST STORIES EVER TOLD because they are STORIES.

It is possible that the Jewish writers took the Story of Abraham from the legend of Brahman Priests.

IS ANYTHING WRITTEN IN THE OLD TESTAMENT TRUE HISTORY?

As we seek to find the truth out regarding the misinformation, disinformation and lies the Bible teaches we find that the Jews who are associated with Israel did exist but were a tiny family group that entered Canaan first. The Jews and Israelites were DIFFERENT PEOPLE GROUPS WHO WORSHIPPED DIFFERENT GODS.

Archeological evidence tells us that the Israelite tribes branched out of the Canaan around 1200-1000 BC. Long before Jesus came on the scene. **THEY WERE NOT A MASS MIGRATION OF JEWS THAT CAME OUT OF EGYPT AS THE OLD TESTAMENT STORIES CLAIM all though some of the Jews did migrate from the Red Sea area.**

It is clear to me that the authors of the Old Testament Stories blended Jewish history in with OTHER HISTORICAL CHARACTERS and events to PUFF THEMSELVES UP as a dynamic race when in fact the ancient Judah Jews were nomadic desert dwellers. India considered them to be the lowest cast of human beings in society.
